

How we keep you safe

During your stay at Short Breaks

Staff will be wearing full PPE at all times, this will include:

- Face Mask
- Gloves
- Apron

Temperatures will be taken at the door. If someone has a high temperature they will not be able to enter the building.

Family are not to enter the building and are to let the client be collected at the door.

We will encourage clients to sanitise their hands upon entering the building and wash their hands routinely throughout their stay.

We will encourage clients to shower and switch to clean clothing. Any clothing brought can be washed and dried upon arriving.

Social distancing to be maintained where possible during any stay.

Meal times and other activities will be staggered and all equipment will be sanitise between use.

Tissues will be available throughout the building to be provided when coughing or sneezing.

Doors and windows will be kept open in communal area for good airflow.

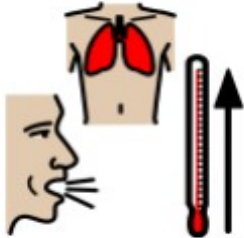

Outside garden areas will be available and encouraged (weather permitting).

Bedrooms will be thoroughly cleaned before arrivals and after each departure.

If any client requests a Covid-19 test; these will be available during the stay and can be carried by out a competent staff member.

If any client shows symptoms during their stay we will follow guidance from the Local Health Protection Team.

On departure, clients to be collected from outside main entrance at the agreed time.

If you have any further questions or concerns please do not hesitate to get in touch.
